(a) A person shall apply to the commissioner or secretary to make an innovative financial product or service available to consumers in the financial technology sandbox, based on the office that administers the statute or rule, or portion thereof, for which a waiver is sought. If both the commissioner and the secretary jointly administer a statute or rule, or if the appropriate office is not known, an application may be filed with either the commissioner or the secretary. If an application is filed with an office that does not administer the statute or rule for which a waiver is sought, the receiving office shall forward the application to the correct office. The person shall specify in an application the statutory or rule requirements for which a waiver is sought, and the reasons why these requirements prohibit the innovative financial product or service from being made available to consumers. The commissioner or secretary may impose conditions on any authorization, consistent with this act. In deciding to authorize or deny an application under this subsection, the commissioner or secretary shall consider each of the following:

(vii) Any other factor that the commissioner or secretary determines to be relevant.

Records made available to the commissioner or secretary under this subsection shall be confidential and shall not be subject to disclosure under the Wyoming Public Records Act but may be released to appropriate state and federal agencies for the purposes of investigation.

(iv) After consultation with the person, continued testing of the innovative financial product or service would:

(A) Be likely to harm consumers; or
